### HEALTH INFORMATION

To ensure that we are aware of any personal health issues of your child which may affect their Swimming Lessons experience. Please detail below any medical conditions and treatment (i.e. asthma, learning difficulties):

### IMPORTANT INFORMATION

- **Remember not to eat before a Swimming Lesson: meals / snack should be approximately 1 – 2 hours before entering the water.**
- In the unfortunate event of a lesson having to be cancelled by the swimming pool operator, a credit note will be issued to the value of the lesson(s), unless an additional session can be added at the end of the term.
- We reserve the rights to change swimming instructors due to unforeseen circumstances, although every effort will be made to avoid this whenever possible.
- For health and safety reason parents, guardians and children are kindly reminded to wait with the children while the swimming lessons are in progress. Please be seated on the benches provided and not interrupt with children while in there lesson.
- Due to small seating area please don't enter the pool area until 5mins before the lesson starts.
- Please keep me up to date with your child's information (i.e. medical conditions, emergency contact details etc) so that we may provide the best service for you.
- **All children must be clean before entering the pool area. Those children with verrucas must wear swim socks. Food must not be taken on poolside.**

Further to NSPCC advice, we are required to inform you that there are aspects of our teaching which require "hands on" technique. This type of physical contact between teacher and swimmer will be done in full view of the seating area for the following reasons:

- Where it is essential to support the swimmer during the early stages of learning a skill or stoke technique for safety reasons.
- To develop skill technique (e.g. teachers holding either legs or feet to correct technique)
- To prevent or treat an injury (all staff are first t qualified)

All children with hair of 2inches or longer **must** wear a swim cap. These can be purchased from Froggy legs swim school, latex £1  or polyester £2.50  Please tick if a swim hat needs to be purchased and add correct cost of hat to enrolment payment.

PARENT / GUARDIAN SIGNATURE: \_\_\_\_\_ DATE: \_\_\_\_\_

I the parent / guardian of the named child/ren agree to pay for the above course unless given one month notice in writing to F.L.S.S I agree to follow the above information.
